Breckenridge, Colorado, is the perfect mountain town. That's why **Breckenridge Grand Vacations (BGV)**, the resort development company that built Gold Point Resort, Grand Timber Lodge, the Grand Lodge on Peak 7, and currently building the final two phases of the Grand Colorado on Peak 8, chose this pristine location for their vacation ownership projects. The company has been recognized throughout the community and industry for its integrity, success and philanthropy, and for creating a family atmosphere that nurtures the development and happiness of its employees.

Breckenridge Grand Vacations consistently ranks at the top of the industry and is frequently recognized by the American Resort Development Association (ARDA). 2018 awards include the Gold ARDY for Marketing Programs, Sales Management Leader, Traditional Line and In-House Salesperson, and Project Team. Additionally, the company was recognized as the *Denver Post's #1 Top Workplace* among Colorado large companies and *Colorado Biz Magazine's #1 Top Company in Travel and Hospitality*. Locally, BGV was named the #2 Business of the Year by the Summit Chamber, and its pinnacle resort, the Grand Colorado on Peak 8, was recognized as one of the Best Lodging/Hotels by the local newspaper, *Summit Daily News*.

The success of Breckenridge Grand Vacations is due to the passion and vision of the developers and founding partners, Mike Millisor and the late Rob Millisor. In 1984, Mike initiated the marketing and sales of fractional real estate at Gold Point Resort. His brother Rob joined him in 1986. When they sold out of inventory, together with their third partner, Mike Dudick—now CEO of BGV—they developed

Grand Timber Lodge and the Grand Lodge on Peak 7, both of which have won ARDA's ACE Award for Project of Excellence.

The Grand Colorado on Peak 8, which opened in December 2017, is the most luxurious property Breckenridge Grand Vacations has built to date, boasting a mountain-modern feel and the ultimate ski-in/ski-out access to Breckenridge Ski Resort's Peak 8.

**Nick Doran** has been with Breckenridge Grand Vacations since 2006 and is responsible for the daily operation of the company. Prior to his current role, Nick held the position of Chief Financial Officer. Before working for BGV, Nick spent 10 years in the master-planned residential real estate development industry as Chief Financial Officer and Project Manager for Highlands Management Group, Inc., preceded by four years with Arthur Anderson, LLP in the Audit Division. Nick obtained Professional Accounting and Business Administration degrees from Regis College in Denver, Colorado.

While location may be everything in the resort world, for Breckenridge Grand Vacations, it's only part of the picture. The dedicated staff works daily to fulfill the company's passion statement: "Our Family Commitment: Always Grand Vacations!" Family and community have been part of BGV's picture of success from the beginning, and the company continues to strive to create a sense of family, for both owners and employees. Rob Millisor's passing while on a humanitarian trip to Nepal in 2015 brought this sense of family to the fore, and more than ever will continue to shape BGV's vision in a commitment to honor his legacy.
