In October 1991, **Disney Vacation Club®** revolutionized the vacation ownership concept, drawing on Disney's unrivaled brand of imagination and innovation. Today, more than 220,000 member families enjoy the magic of Disney Vacation Club year after year.

As its resort collection grows, Disney Vacation Club continues to introduce new ownership advantages through its Membership Magic initiative. This unparalleled member benefits program provides enhanced services, exclusive access to Disney experiences, ever-expanding flexibility and other value-added elements that only Disney can deliver.

Disney Vacation Club is experiencing one of the most exciting periods in its history, opening new resorts and unveiling new enhancements at its existing properties. In fact, the 15th Disney Vacation Club project, Disney's Riviera Resort, will welcome members and guests in the fall of 2019. This project features a variety of deluxe accommodations, and will be connected to two theme parks at the Walt Disney World Resort via a new skyway transportation system, the Disney Skyliner. Additionally, Disney Vacation Club recently announced its next planned development – an entirely new nature-themed resort called Reflections, A Disney Lakeside Lodge. Nestled between Disney's Wilderness Lodge and Disney's Fort Wilderness Campground, this new resort experience is scheduled to open in 2022. Reflections, A Disney Lakeside Lodge, is planned to be the 16th Disney Vacation Club property and will include more than 900 hotel rooms and proposed Disney Vacation Club villas. These exciting plans come after several significant resort openings and enhancements in recent years.

Disney Vacation Club's exciting Member Getaways allow eligible families to use their membership (when purchased directly from Disney) for vacation experiences and special access worldwide, from stays at Disney theme park hotels, to sailings with Disney

Cruise Line, to tours with Adventures by Disney. Members also enjoy access to exclusive and renowned hotels in the world's most desired destinations through our exchange partner, RCI.
