**Quorum Federal Credit Union** was established in 1934 as an employee benefit for everyone in the Kraft Foods family. Today, we are a federally insured financial institution with close to \$1 billion in assets. Headquartered in Purchase, NY, Quorum partners with over 50 companies— big and small—and serves more than 70,000 members nationwide. Some partners are The Kraft Heinz Company, MasterCard, Heineken, Hitachi, Avon, and The Ogilvy Group (NYC).

#### **Vacation Ownership Funding Company, LLC (VOFCO)**

VOFCO is a Quorum majority-owned company responsible for initiating and managing relationships with vacation ownership companies built around strategic loan purchase and marketing programs. This group has been involved with ARDA since 2009, and its partnerships with many ARDA members have helped to propel Quorum and VOFCO into leading financing roles within the vacation ownership industry.

#### **Serving Members and Partners**

Quorum is committed to delivering great banking experiences to both lending partners and banking members. We are a leader in specialty finance, providing financial choice for partners and consumers through a select portfolio of retail and commercial banking solutions. Our banking is focused on how our products and services can help partners and members meet their financial services needs and grow. We always strive to provide top-of-market rates and innovative financial products and services that are good for our partners and members. We call it Banking That's Good. For You.™
