Leon Basye, RRP

CEO

leon@vpsnational.com

Vacation Partner Services, Inc. (VPS), is a vacation ownership service provider and consulting company started in 2015. Our philosophy is based on three pillars: Advisement, Accuracy and Efficiency. Our staff includes senior members of the vacation ownership industry from diverse backgrounds in timeshare development, lending and title insurance. We leverage our resources as industry experts to provide a full suite of services for the entire lifecycle of a vacation ownership property including contract audit services, title and escrow work and ongoing member and inventory tracking.

A vital piece of VPS is our title agency, Vacation Ownership Title Agency (VOTA). Established in 2007, VOTA has provided exceptional title and escrow services producing an accurate and reliable product to customers for over a decade. VOTA holds licenses in multiple states with high-volume timeshare sales. The VOTA team brings a strong background in various types of timeshare transactions including deeded and points-based projects. VOTA also offers asset management services such as foreclosure and deed-in-lieu processing.

In addition to title and escrow solutions, VPS specializes in helping legacy resorts with challenges such as Sunset provisions and owner roster analysis. As subject matter experts in the vacation ownership industry, we help clients achieve the highest levels of efficiency to allow for maximum profitability.

CEO, Leon Basye has over 30 years of title experience and has participated as an ARDA Trustee since 2007.
