Breckenridge, Colorado, is the perfect mountain town. That's why **Breckenridge Grand Vacations**, the resort development company that built Gold Point Resort, Grand Timber Lodge, the Grand Lodge on Peak 7 and has just opened the first phase of the Grand Colorado on Peak 8, chose this pristine location for their vacation ownership projects. The company has been recognized throughout the community and industry for its integrity, success, and philanthropy, and for creating a family atmosphere that nurtures the development and happiness of its employees.

Breckenridge Grand Vacations consistently ranks at the top of the industry and is frequently recognized by American Resort Development Association (ARDA). Recent awards include Project of Excellence for the Grand Lodge on Peak 7, the Gold ARDY for Project Team, the ACE Award for Philanthropy and the Gold ARDY for Green Sustainable Program. Additionally, the company is recognized as one of Denver Post's Top Workplaces and Colorado Biz Magazine's Top Companies. BGV was also named the 2015 Outstanding Large Business by National Philanthropy Day in Colorado, as well as the local Summit Chamber Best Place to Work.

The success of Breckenridge Grand Vacations is due to the passion and vision of the developers and founding partners, Mike and Rob Millisor. In 1984, Mike initiated the marketing and sales of Gold Point Resort in Breckenridge, CO. Joined in 1986 by his brother, Rob, they sold out Gold Point Resort, and together with their third partner, Mike Dudick, went on to develop Grand Timber Lodge and Grand Lodge on Peak 7, both of which have won the ACE Award for Project of Excellence.

As the Grand Lodge on Peak 7 nears sell-out, construction continues on the company's fourth and pinnacle resort. The Grand Colorado on Peak 8 will be the most luxurious property Breckenridge Grand Vacations has built to date, boasting a mountain-modern feel and the ultimate ski-in/ski-out access on Peak 8 of the Breckenridge Ski Resort.

**Nick Doran** has been with Breckenridge Grand Vacations since 2006 and is responsible for the daily operation of the company. Prior to his current role, Nick held the position of Chief Financial Officer. Before working for BGV, Nick spent 10 years in the master-planned residential real estate development industry as Chief Financial Officer and Project Manager for Highlands Management Group, Inc., preceded by four years with Arthur Anderson, LLP in the Audit Division. Nick obtained Professional Accounting and Business Administration degrees from Regis College in Denver, Colorado.

While location may be everything in the resort world, for Breckenridge Grand Vacations, it's only part of the picture. The dedicated staff works daily to fulfill the company's passion statement: "Our Family Commitment: Always Grand Vacations." Family and community have been part of BGV's picture of success from the beginning, and the company continues to strive to create a sense of family for both owners and employees. Rob Millisor's passing while on a humanitarian trip to Nepal in 2015 brought this sense of family to the fore and more than ever will continue to shape BGV's vision in a commitment to honor his legacy.
