Accelerated Assets is a boutique investment firm focused on helping today's leading, branded timeshare companies grow their businesses through the deployment of various Capital Light strategies.

Founded in 2000, Accelerated brings a depth of experience to its partners and the timeshare industry, specifically in acquiring and developing world-class resort destinations, as well as implementing consumer loan financing and purchase programs. Since 2014, Accelerated has created over \$1 billion in timeshare assets with its partners.

Tom Balames has been Managing Member of Accelerated since its inception in January, 2000 and currently serves on the ARDA Board of Directors. He is actively involved for Accelerated in all facets of Capital Light investment and is helping lead the charge to implement various industry level initiatives with Accelerated's branded timeshare partners. His extensive background as a lender and private equity professional in multiple asset classes provides him with a unique and differentiated level of expertise in the area of Capital Light development.

Matt McGarry, ARP is a Managing Director for Accelerated where he is involved in acquisition, business development, capital markets, and portfolio management activities. Prior to Accelerated, Matt worked in investment banking at the Royal Bank of Scotland and KeyBanc Capital Markets. His diverse background in financial services brings an array of expertise to Accelerated and its branded timeshare partners. He holds his M.B.A from the Kellogg School of Management at Northwestern University, and is a graduate of the ARDA LEAPS program.
