Marriott Vacations Worldwide Corporation (NYSE:VAC), is a leading global vacation company that offers vacation ownership, exchange, rental and resort property management, along with related businesses, products and services. Beginning in 1984, after a careful evaluation of the timeshare industry, Marriott Corporation acquired American Resorts and the company's first resort, Marriott's Monarch on Hilton Head Island, South Carolina. Since then, Marriott Vacations Worldwide has consistently been recognized as a global industry leader for its commitment to continuing to enhance the overall vacation ownership experience for both Owners and Members and to abide by the same high standards that made Marriott International, Inc. the largest and most admired hospitality company in the world.

In 2011, Marriott Vacations Worldwide became its own public company trading on the NYSE under the ticker symbol VAC and continues to set new standards within the industry while providing strong value to its shareholders.

In 2019, Marriott Vacations Worldwide focused on the harmonization of the combined company as well as looking for efficiencies in the brands and businesses after the acquisition of ILG, Inc. in 2018. The combined company has a diverse portfolio that includes seven vacation ownership brands. It also includes exchange networks and membership programs, as well as management of other resorts and lodging properties. As a leader and innovator in the vacation industry, the company upholds the highest standards of excellence in serving its customers, investors and associates while maintaining exclusive, long-term relationships with Marriott International and Hyatt Hotels Corporation for the development, sales and marketing of vacation ownership products and services.

2019 was an exciting year for Marriott Vacations Worldwide, with the opening of Marriott Vacation Club Pulse®, San Francisco located within walking distance of many of the scenic waterfront attractions and restaurants that make San Francisco a world-class destination. Additionally, the Marriott Vacation Club brand announced a proposed resort in Costa Rica. This new, proposed resort will be located in the exclusive, 1,100-acre, master-planned community of Los Sueños Resort and Marina, and within the Los Sueños Marriott Ocean & Golf Resort complex overlooking Herradura Bay. In 2019, Marriott Vacations Worldwide's Caring Classic golf tournament, in support of Children's Miracle Network Hospitals, celebrated its 22nd year of giving as total donations since the tournament's inception reached nearly \$3 million. Additionally, Marriott Vacations Worldwide hosted its fifth annual Harvest for Hunger global food drive resulting in more than 125,000 pounds of food donated to worldwide food banks. Additionally, Marriott Vacations Worldwide associates helped to reopen the Westin St. John Resort Villas in January 2019, after an extended closure due to the damage left behind by Hurricanes Irma and Maria in early September 2017.

The company's leadership position has been consistently acknowledged within the press and the global marketplace. In 2019, Marriott Vacations Worldwide was recognized as an Aon Best Employer in eight countries, including Australia, France, Indonesia, Ireland, Spain, Thailand, the United Kingdom and the United States. Marriott Vacations Worldwide was also recognized by the American

Business Awards with two Gold Stevie Awards for the Company of the Year and the Customer Service Department of the Year categories. The company was also awarded with a Bronze Stevie Award for Corporate Social Responsibility Program of the Year for the annual Caring Classic golf tournament.
